The last of the 2012 wines offer quality and value. The Grenache has good varietal character, the Merlot is medium bodied and our house wine. They both have the benefit of attractive bottle age.

The 2015 Cabernet Sauvignon is back to the future. It is the worthy follow-on from the 2006 and 2007 Jelka Cabernet Sauvignons.

We offer our wines at an excellent price, which lets everyone enjoy our single vineyard wines. Pricing benefits from the direct sales approach. Jelka Wines are only available online and when offered to our mailing list.
